Teapigs Spiced Pear is a seasonal autumn themed blend, pear pieces + warming spices (cinnamon, ginger, cardamom) + apple base. Tastes like baked pear and spice in a cup. Limited edition; usually available October January. Excellent for the autumn into early winter window when fruit cake and warming spice feel right.

Aspect	The read
What it is	A limited-edition spiced fruit and herbal blend, pear-and-warm-spice led
Character	Sweet-ish, autumnal, gently spiced; comforting rather than bracing
Caffeine	Caffeine-free (herbal/fruit base); an evening-friendly cup
Brew	Full boil, a long covered steep; no bitterness penalty
Note	Limited edition: availability is seasonal, not a quality signal

The verdict is that Teapigs Spiced Pear is a pleasant, caffeine-free, autumnal spiced fruit infusion, comforting and evening-friendly rather than a wellness product, and its limited-edition status is about seasonal availability rather than merit. Brew it like any herbal, full boil, long covered steep, and it pairs naturally with autumn baking per the [food pairing](#) guide. This is general information rather than medical advice.
