**Twinings Fruits Mix is a multi-fruit infusion variety pack, usually four to six different fruit blends in one box. It is handy for exploring fruit teas without committing to a full 20-bag pack of each, ideal for a household where everyone wants a different cup, and a gift-friendly format. Caffeine free, naturally sweet (mostly a [hibiscus](#) base), and good for any age. Mainstream pricing.**

## What's typically included

The line-up varies by season and [supermarket](#), but commonly includes some mix of blackcurrant and blueberry, cranberry and raspberry, mango and strawberry, peach and orange, blood orange and cranberry, and strawberry and raspberry. Twinings rotates the box at least seasonally, so check the back for the current selection.

## How to brew

Hot: 1 bag in 200ml just-boiled water, covered, steeped 5 to 7 minutes. Cold: 2 bags in 500ml cold water, fridge 6 to 8 hours, served over ice (it keeps 3 days chilled and travels well in a thermos). Each blend has slightly different notes on its wrapper, but the basics work for all. Curator Rating: 4.9/5.

## Use cases

- A variety household where each person picks their own evening cup.
- Gift packs for tea-curious friends without a strong brand loyalty.
- An office tea drawer where colleagues want options.
- Picnics and entertaining (cold-brewed in a thermos).
- Caffeine-free, so an easy option for children and the whole family.

## Whether the sampler is worth it

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for Whether the sampler is worth it, Twinings Fruits Mix. Canonical: <https://teas.co.uk/wiki/twinings-fruits-mix-the-sampler-infusion/>*

Sampler boxes carry a per-bag premium of roughly 15 to 25% over single-blend 20-bag packs. It is worth it if you genuinely want variety and won't burn through one blend faster than the others, if you don't yet know which Twinings fruit infusion suits you, or if you are buying a gift where presentation matters. It is not worth it if you already have a favourite single blend.

## FAQ

**Caffeine?** None.

**Vegan?** Yes.

**Cold brew?** Excellent across all the included blends.

**Best for variety?** Yes, that is exactly the format's purpose.

**A family option?** Caffeine-free and naturally sweet, so it suits the whole household.

*Curator's note: Twinings Fruits Mix is the multi fruit sampler. Useful for variety households. Lee, Teas.co.uk, Tunbridge Wells.*

## The bottom line

Twinings Fruits Mix is the brand's tasting sampler: several fruit infusions in one box, each individually wrapped, all built on the same hibiscus-and-apple body with a different headline fruit. Worth it for a first purchase, for gifts, for hospitality, or for a household that wants variety across the week. Once you find your favourite, a single-variant box is the cheaper everyday buy.
