[Twinings Lemon and Ginger](https://teas.co.uk/wiki/twinings-lemon-and-ginger) is one of Britain's bestselling herbal teas, almost certainly the bestselling lemon-and-ginger in UK supermarkets. Bright lemon peel, warming ginger root and lemongrass for citrus lift. It has near-universal appeal across age groups and is most British drinkers' first non-black-tea purchase: a reliable, mainstream-priced (5 to 8p a bag), caffeine-free staple available everywhere.

Dried lemon peel for the citrus top, ginger root for warmth, lemongrass for extra brightness, and occasionally a touch of natural lemon flavour for cup-to-cup consistency. The bag is roughly 1.5g, and you can see the ginger fragments through it.

Lemon hits first, ginger warmth follows and lingers, and lemongrass closes with a clean citrus finish. The ginger is gentler than Yogi Organic Ginger Lemon (which adds black pepper) and softer than [Twinings Spiced Ginger](https://teas.co.uk/wiki/twinings-spiced-ginger). Easy to drink for any palate, equally at home as a warming cup or a casual [afternoon](https://teas.co.uk/wiki/twinings-afternoon) drink.

Curator Rating: 4.9/5.

1. 1 bag in 200ml just-boiled water.
2. Cover the cup; the lemon and ginger aromatics both benefit.
3. Steep 5 to 7 minutes for a balanced cup, or 8 to 10 for a stronger ginger hit.
4. Squeeze the bag against the cup before removing.
5. Add honey or a slice of fresh lemon if you like.
6. For iced: cold brew 4 bags in 1 litre of water, fridge 6 to 8 hours, serve over ice with a slice of ginger.

## Use cases

- A warming, caffeine-free comfort cup at any time of day.
- A daily caffeine-free staple for non-coffee and evening drinkers.
- Cold winter mornings before food.
- Iced in summer; it is excellent cold-brewed.

## The bottom line

Twinings Lemon and Ginger is Britain's accessible bestseller for a reason: caffeine-free, bright, gently warming and stocked everywhere. It is lighter than Pukka or Yogi by design, a dependable comfort cup rather than a fierce one. The one thing that makes or breaks it is the brew: give it a full boil and a long, covered steep, or the ginger reads thin.
