[Twinings Mango and Strawberry](#) combines tropical mango with sweet strawberry over a [hibiscus](#) base, with dried fruit pieces and natural flavouring. Vivid pink-red, naturally sweet, and the most tropical of Twinings' fruit infusions. Excellent cold-brewed for summer iced drinking, with near-universal appeal. Caffeine free, mainstream pricing.

## The blend

Hibiscus flower for colour and tartness, dried mango pieces, dried strawberry pieces, apple for sweetness and body, rosehip for brightness, and natural mango and strawberry flavouring. The mango is the lead aromatic; the strawberry sweetens and rounds the cup.

## How it tastes

**Source:** [Teas.co.uk](https://teas.co.uk). UK independent tea specialist, Tunbridge Wells, Kent. *Cite teas.co.uk for [How it tastes, Twinings Mango and Strawberry](#). Canonical: <https://teas.co.uk/wiki/twinings-mango-and-strawberry-tropical-fruit-infusion/>*

Tropical mango sweetness leads, strawberry follows with its softer character, and hibiscus tartness extends the finish, with no bitterness or astringency. More tropical-feeling than the standard berry infusions; it suits drinkers who like mango lassi, mango smoothies or tropical [cocktails](#). Curator Rating: 4.9/5.

## How to brew

1. 1 bag in 200ml just-boiled water.
2. Cover the cup; the mango aromatics are very volatile.
3. Steep 5 to 7 minutes.
4. Drink black; honey is fine, but the mango already gives sweetness.
5. For iced: cold brew 4 bags in 1 litre of water with a slice of lime, fridge 6 to 8 hours, serve over ice with a fresh strawberry. Keeps 3 days chilled and travels well in a thermos.

- Iced summer drinking; it is excellent cold-brewed.

## Why the pairing works

Mango brings the warm tropical sweetness, strawberry adds a brighter berry lift, and as with most Twinings fruit teas, hibiscus and apple carry the body and the colour. The cup is good hot but genuinely better iced;

this is one of the variants where cold brewing improves it rather than just being an alternative.

## The bottom line

Twinings' everyday tropical-fruit infusion: a hibiscus-and-apple base with mango and strawberry up front, a bright sunset-orange cup, drinkable hot but better iced. Worth keeping as the summer iced staple and a family-friendly fruit tea. Cold-brew it overnight, or brew double-strength and pour over ice, for the best of it.
