Rooibos Mocktail Spritz

From the teas.co.uk wiki

A rooibos spritz is a tall, citrusy refresher built on chilled rooibos in place of wine or spirits. Unlike black tea, rooibos won't turn bitter or cloud up over ice, so it stays clean and clear, which makes it a surprisingly good base for an alcohol-free spritz.

It uses Tetley Redbush Pure, Rainforest Alliance certified rooibos from South Africa's Western Cape, and scales straight up to a jug for a crowd. There's an easy adult version at the end.
