Rooibos Poached Pears

From the teas.co.uk wiki

Poaching pears in a strong, spiced rooibos brew gives you all the colour and warmth of the classic red-wine version, but with no alcohol and no caffeine, so it suits everyone at the table. The tea stains the pears a deep amber and lends a gentle honeyed, woody note.

It uses Tetley Redbush Pure, Rainforest Alliance certified rooibos from the Western Cape, and it's a proper make-ahead pudding: the pears only improve sitting in the syrup overnight.
