Everyday Brew & Lemon Granita

From the teas.co.uk wiki

A tea granita is about the easiest pudding to make ahead: sweetened lemon tea, frozen flat, then forked into light icy flakes. Spooned into glasses with a little cream or sorbet, it looks far smarter than the work involved, and it's properly refreshing after a big meal.

For the tea we use Teapigs Everyday Brew, a black with a brisk character and whole leaves. Twenty minutes of work, a day ahead in the freezer, serves ten.
