

The Standard Spiced Winter Red Cup

From the Teas.co.uk wiki

Brewed properly, Spiced Winter Red is basically a mulled cup without the faff: it's a rooibos base already blended with warming spice, so a full rolling boil and a good long steep pull out the cinnamon and clove without a trace of bitterness, since rooibos can't over-brew.

It uses Teapigs Spiced Winter Red, a caffeine-free spiced rooibos blend. One mug, a few minutes, and warming whatever the time.
