

## Iced Spiced Winter Red

From the Teas.co.uk wiki

This is a spiced rooibos iced tea: all the cinnamon and clove of the winter blend, but served long and cold with orange and lemon. Because rooibos never turns bitter or cloudy over ice, you don't even need to crash it cold the way you would black tea, so it stays clear and gently sweet with no astringency.

It uses Teapigs Spiced Winter Red, a caffeine-free spiced rooibos blend. Ten minutes plus chilling, and it makes a jug.
