Spiced Winter Red Granita

From the teas.co.uk wiki

Here's a festive way to finish a heavy Christmas meal: a spiced rooibos granita, frozen and scraped into cinnamon-scented icy flakes. It's light and clean after all the rich food, caffeine-free so it won't keep anyone up, and you don't need an ice cream machine, just a fork. Rooibos can't over-brew, so the spice goes deep without any bitterness.

The granita uses Teapigs Spiced Winter Red, spiced rooibos with no caffeine. Fifteen minutes of work, a few hours freezing, serves six.
