The Standard Superfruit Cup

From the teas.co.uk wiki

A good superfruit cup is deep red, sharp and properly fruity, not the thin pink water most fruit teas give you. The whole berry and hibiscus pieces in Teapigs Superfruit need a full boil and a generous covered steep to give up their jammy colour and tart fruit, and unlike black tea they only improve the longer they sit.

A mug of Teapigs Superfruit, which is berries and hibiscus and has no caffeine. One mug, a few minutes, and a fine base for iced too.
