Superfruit Granita

From the teas.co.uk wiki

A superfruit granita is about as close as you'll get to sorbet without a machine: deep ruby berry and hibiscus, frozen and scraped into sharp flakes. It's one of the best-looking puddings you can make for almost no effort, with no caffeine, and the tartness keeps it cooling.

Teapigs Superfruit is the tea here, a caffeine free mix of berries and hibiscus. Fifteen minutes of work, a few hours freezing, serves six.
