The Standard Darjeeling Earl Grey Cup

From the teas.co.uk wiki

This is a more refined take on Earl Grey: a light, muscatel Darjeeling sits under the bergamot in place of a heavy black base, so it drinks best without milk and wants a short steep to hold onto both the bergamot lift and the Darjeeling fruit.

This cup is made with Teapigs Darjeeling Earl Grey, a black tea of whole leaf and bergamot. One mug, a few minutes, and best drunk black.
