The Standard Mao Feng Green Tea Cup

From the teas.co.uk wiki

A good Mao Feng cup is sweet, smooth and faintly peachy, with none of the bitter, grassy edge most people get from green tea. The single biggest fix is the water: boiling water scorches green leaf. Cool it to around 80C, keep the steep short, and you get the delicate, naturally sweet cup this tea is known for.

It uses Teapigs Mao Feng Green Tea, a whole-leaf Chinese green tea. One mug, a few minutes.
