

## British Chai Latte

From the Teas.co.uk wiki

A chai latte is the high-street coffee-shop drink, and it's easy to make at home from a bag: a strong, spiced concentrate brewed in a little water, then steamed milk poured into the cup. It works out cheaper than the shop version and tends to taste more like actual chai, because you control the spice and the sugar.

It uses PG Tips Chai Special Blend, a black tea and chai spice blend. Ten minutes, one large cup.
