# Feel New Tonic (Non-Alcoholic Aperitif)

From the teas.co.uk wiki

This turns one Feel New bag (fennel, aniseed, turmeric, cardamom, liquorice and citrus peel) into a non-alcoholic aperitif with Indian tonic water. The savoury, bittersweet spice behaves almost like a vermouth here: it gives the tonic something to bite against, while the quinine dries out the sweetness of the spices. Brewed strong and chilled, it pours pale gold and lengthens over ice.
