

Standard Supreme Matcha Green Cup

From the Teas.co.uk wiki

This is the bag version of a Japanese ceremonial matcha cup: a lower water temperature than most teabags (80C, not boiling), a short three-minute steep, and a small Japanese sweet on the saucer to take before each sip. Pukka Supreme Matcha Green is matcha powder with sencha and oat flower; the rule from sencha tradition holds, water over about 85C scalds it and the cup turns to stewed grass.

It uses Pukka Organic Supreme Matcha Green. Float a strip of yuzu (or lemon) peel on top for the last minute, and serve a small wagashi sweet alongside.
