Iced Strawberry Tea with Muddled Fresh Strawberries and Basil

From the teas.co.uk wiki

This builds Hyson Strawberry Ceylon into a proper summer drink: the tea brewed strong and flash-chilled, then poured over crushed ice and two fresh strawberries muddled at the bottom of the glass, with a clapped basil leaf on top. Fresh strawberries on strawberry tea is the doubling-up that turns it from a flavoured iced tea into an actual strawberry drink, and basil is the Italian partner that keeps it from being one-note.

It uses Hyson Strawberry Infused Black Tea. Flash-chill rather than cold-brew; the Ceylon base wants the hot brew.
