Standard Peach Ceylon Cup (Vanilla and Bay)

From the teas.co.uk wiki

A peach Ceylon cup is lifted out of the ordinary by two small additions: a torn fresh bay leaf in with the bag, and a scrape of vanilla seeds stirred in at the end. Peach, bay and vanilla are the classic poached-peach triad (the bones of Escoffier's peche melba), and on a peach-and-Ceylon bag they make the cup taste of a poached white peach in syrup. Brew the Ceylon at a full boil so the black-tea backbone holds, and drink it black.
