

Cape Chai Porridge

From the Teas.co.uk wiki

A warm, spiced porridge for the colder mornings, where the chai flavour comes from the milk itself rather than a sprinkle on top. You steep a bag of Dragonfly Organic Cape Chai Rooibos in the warm milk first, so cinnamon, cardamom, ginger and clove cook right through the oats as they soften.

Once the milk is infused, it is porridge as usual: oats stirred in and cooked gently, a little brown sugar for a caramel note, then finished in the bowl with honey, nutmeg, dried apricots and toasted almonds. It is caffeine-free, so it is a gentle way to bring a bit of warmth and spice to breakfast.
