

Iced Chamomile Grapefruit

From the Teas.co.uk wiki

An iced jug of Good Earth Chamomile and Grapefruit for a warm afternoon, brightened with fresh pink grapefruit and a little thyme. The fresh grapefruit segments build on the grapefruit already in the bag, the thyme gives it a savoury, grown-up edge that suits the fruit, and the chamomile keeps it soft and floral underneath.

Brew it cooler than a black tea, around 95C, so the chamomile does not scald, and infuse the fruit and thyme in from the start while it is hot. Sweeten lightly with honey, chill it down, and serve over plenty of ice with a slice of grapefruit on the glass.
