

## Alcohol-Free Mulled Wine in a Mug

From the Teas.co.uk wiki

This is alcohol-free mulled wine in a mug: a deep, fruity, spiced cup brewed long and hot so the cinnamon, clove and red fruit all come through, with no alcohol and no caffeine. Teapigs Winter Glühwein is a fruit-and-spice infusion that does most of the work; a slice of orange and a long steep turn it into something that really drinks like the real thing.

The trick is the long, covered steep. Fruit and spice infusions cannot over-brew, so give it the full six minutes, which is what makes it taste of mulled wine rather than fruit water.
