Ginger Hot Toddy

From the teas.co.uk wiki

A **hot toddy** built on ginger tea instead of plain hot water, which gives it far more backbone. Brew Teapigs Ginger and Manuka Honey good and strong, stir a little extra honey through it while it is hot, and add a measure of aged dark rum; the rum and the warming ginger are a natural match.

It makes a proper winter nightcap, or a sociable round for a cold afternoon. For anyone not drinking, leave out the rum and top the same honeyed ginger tea with a splash of ginger beer and a slice of lemon, and it stands up just as well.
