Dirty Chai French Toast

From the teas.co.uk wiki

Dirty chai French toast works the coffee-and-chai spice straight into the custard, so it flavours the bread from the inside as it soaks rather than just sitting in a syrup on top. A spoonful of Drink Me Chai Dirty Chai Latte whisked into the egg and milk is all it takes.

Use thick brioche so it soaks up plenty of custard without falling apart, and fry it in a mix of butter and a little oil so the butter does not catch before the toast colours. Stack it with maple, a spoon of yogurt and some blueberries for a proper weekend brunch.
