# Vanilla Chai Whipped Cream

From the teas.co.uk wiki

**Vanilla chai whipped cream** is a quick way to put a bit of spice into a chantilly for topping cakes, hot chocolates, sponge puddings or pancakes. A spoonful of Drink Me Chai Vanilla Chai Latte sifted into chilled double cream with a little icing sugar and a scrape of vanilla, whipped to firm peaks, and that is it.

The only thing to watch is the whipping itself. Sift the powder in rather than tipping it, so it does not clump, and stop the moment the cream holds a firm peak; a few seconds too long and it turns grainy and starts to split.
