

Apple Pie Chai Porridge

From the Teas.co.uk wiki

Apple pie chai porridge turns a spoonful of Drink Me Chai Apple Pie Chai Latte into a warm spiced breakfast bowl. Stirred into porridge made on whole milk, the apple-and-spice powder flavours the oats from within, and a heap of freshly grated raw apple on top brings a cool, fresh contrast to the warm bowl.

Simmer the oats in milk until creamy, fold the powder in at the end, then finish with the grated apple, a little honey, plump sultanas and some toasted pumpkin seeds for crunch. It is a proper autumn breakfast and comes together in about ten minutes.
