Iced Moringa Cooler with Ginger

From the teas.co.uk wiki

Cold moringa green tea takes really well to fresh ginger, which adds a gentle warmth and a bit of bite to its mellow, leafy flavour. As with any green tea, the key is to brew it just off the boil so it never turns harsh, then chill it fully before it meets the ice.

A squeeze of lemon and a sprig of mint keep everything bright. Makes one tall glass; add honey only if you like it sweet.
