

Moringa Green Tea Breakfast Smoothie

From the Teas.co.uk wiki

This is a proper green breakfast in a glass, with cooled moringa green tea standing in for some of the usual liquid. The tea brings a faint, clean lift behind the banana and avocado, which do the real work on texture: banana for sweetness, avocado for a thick, creamy body.

Spinach folds into the colour and disappears in the flavour, so even people who claim to dislike it never notice. Makes one tall glass.
