

## Millionaires Mocha Affogato

From the Teas.co.uk wiki

An affogato is the simplest grown-up dessert there is: something hot and coffee-ish poured over cold vanilla ice cream. Here a Millionaires Mocha sachet does the job of the espresso. Whisk it into a thick syrup with just a splash of hot water, pour it over a scoop of good vanilla, and the warm coffee-caramel-chocolate melts into the cold cream as you eat.
