

## Matcha-Style Whisked Green Tea

From the Teas.co.uk wiki

You can get a matcha-style drink from ordinary loose-leaf green tea by grinding it fine and whisking it like matcha, rather than steeping and straining. Grind a little leaf to a powder, sift out the coarse bits, then whisk it with water just off the boil using a bamboo whisk until frothy.

Top with steamed milk for a green tea latte. It is not true matcha, but it is a lovely, frothy way to drink green tea. Makes one bowl.
