Earl Grey Latte (London Fog)

From the teas.co.uk wiki

An Earl Grey latte, often called a London Fog, is one of the loveliest tea lattes: strong Earl Grey softened with steamed milk and a touch of honey, the bergamot coming through the foam. Brew the tea concentrated, sweeten it lightly, then top with frothed milk.

Orange-blossom honey is a lovely match for the bergamot if you have it, but any honey works. Makes one mug.
