Red Fruit Tea Cordial

From the teas.co.uk wiki

This turns the red fruits tea into a homemade cordial you can keep in the fridge and dilute whenever you fancy a fruit drink. Brew it really strong, dissolve in plenty of sugar while it is hot, sharpen it with lemon, then bottle it.

To serve, top a little cordial with sparkling water, about one part cordial to five of water. Makes a 500ml bottle, enough for around twenty glasses.
