Red Fruit Tea Granita

From the teas.co.uk wiki

A granita is the easiest frozen pudding going: brew the tea good and strong, sweeten it while it is hot, freeze it flat, then rake it into icy flakes with a fork. The red-fruit notes in this Lipton blend hold up well once frozen, and a decent squeeze of lemon keeps it sharp rather than sugary. Lovely after a summer lunch, and it costs next to nothing to put together.
