Red Fruit Tea Party Punch

From the teas.co.uk wiki

If you need a big jug of something cold and fruity that everyone can drink, this does the job. A strong brew of red-fruit tea carries the flavour, apple juice rounds off the edges, and a last-minute splash of sparkling water gives it a bit of lift. There is no alcohol in it, so it suits all ages, and the bowl looks the part with strawberries and citrus bobbing about.
