How to Brew Rooibos Creme Caramel Tea

From the teas.co.uk wiki

Rooibos is about as forgiving as a brew gets. It has no caffeine and none of the tannins that turn ordinary tea bitter, so you can leave the bag in for a full five minutes, or even longer, without spoiling a thing. This one lays a soft creme caramel flavour over rooibos's own gentle sweetness, which is why it wants neither milk nor sugar. A proper evening cup, in other words.
