Fennel and Liquorice Oat Latte

From the teas.co.uk wiki

Warm aniseed milk is an old evening favourite, and this is the grown-up, dairy-free version. If you love liquorice there is a lot to like here: the natural sweetness of the blend and of the oat milk means it needs no sugar at all, while a whisper of star anise over the foam plays up the aniseed. Being caffeine-free, it makes a cosy nightcap. Not one for liquorice sceptics, mind.
