Iced Green Tea with Cucumber and Lemon

From the teas.co.uk wiki

Iced green tea does not get cleaner than this: no sugar, no fruit syrup, just cool tea sharpened with lemon and freshened with a wheel of cucumber. Cucumber and green tea have a quiet affinity, both cool and faintly grassy, and together they make a glass about as refreshing as a soft drink gets. Brew the tea gently at around 80C so it stays smooth once it is iced.
