

Rooibos Poached Pears

From the Teas.co.uk wiki

Poaching pears in tea is an old trick that turns a few firm pears into a quietly elegant pudding. Rooibos is ideal for it: naturally sweet and woody, with no caffeine or bitterness to turn the syrup harsh, and a cinnamon stick alongside makes it warmly spiced. The pears take on a soft amber colour and a gentle fruitiness as they simmer. Serve them warm with cream, or chilled on their own.
