Chocolate Chai Hot Chocolate

From the teas.co.uk wiki

This turns an instant chocolate chai powder into a proper, rich hot chocolate. The trick is melting a couple of squares of real dark chocolate into the milk before the powder goes in, which gives it the spoon-coating body of a continental cioccolata rather than a thin instant cup. The chai powder then adds its warm spice on top of the deeper cocoa.

Lovely in the evening with a slice of banana bread or a couple of biscotti.
