Whisky Dirty Chai

From the teas.co.uk wiki

Dirty chai, the coffee-spiked chai, makes a brilliant base for a warming winter drink: its coffee and spice carry a measure of whisky without being overwhelmed. Here it is built on warm milk rather than the usual water toddy, finished with a little honey to round off the whisky and a twist of lemon on the rim for its scent. A proper grown-up nightcap for a cold evening, with an alcohol-free version too.
