

## Chai Spiced French Toast

From the Teas.co.uk wiki

Chai-spiced French toast is a brilliant Saturday brunch: a chai spice powder whisked straight into the eggy custard, so thick slices of sourdough take on a warm chai character as they soak before hitting the pan. The custard is the usual egg, milk, a little sugar and vanilla, with the chai powder doing the flavouring.

Stack the slices with mascarpone, warm maple syrup and fresh figs, with a dust of icing sugar; the chai spice meets the tang of the mascarpone and lifts the syrup.
