

Spiced Chai Porridge

From the Teas.co.uk wiki

Porridge is the breakfast a cold morning calls for, and this one runs warm chai spice through every spoonful: a stovetop bowl made with whole milk for body, the spiced chai powder stirred in at the end. Rolled oats simmered gently in milk, then finished with golden syrup and a good grating of fresh apple.

The grated apple lifts the chai spice better than any dried sweetener, and a scatter of toasted almonds gives it some crunch.
