

Non-Alcoholic Apple Pie Chai Toddy

From the Teas.co.uk wiki

A warming, alcohol-free toddy for cold evenings, built on hot cloudy apple juice instead of the usual whisky and water. An apple pie chai powder whisked into the hot juice deepens the fruit and brings a proper apple-pie spice, with honey to sweeten and a slice of lemon to lift it. It is comforting and suitable for all ages.

A good one to have on the table for drivers, children and anyone not drinking, and lovely with a slice of apple cake or a mince pie.
