Rich Ginger Chai

From the teas.co.uk wiki

The treat version of a ginger chai, for when you want something closer to a pudding than an everyday cup. A little single cream goes in alongside the milk for body, dark muscovado brings a toffee depth, and a knob of butter stirred into the finished cup gives it a glossy, spoon-coating richness. Black pepper and extra cardamom alongside the ginger keep it properly warming.

A lovely after-dinner mug on a cold night, with a sliver of crystallised ginger on the rim.
