

Turmeric Tea Cake

From the Teas.co.uk wiki

A simple golden sponge with a difference: strong turmeric tea is brewed and folded into a classic creamed-butter cake batter, lending both a warm, earthy turmeric note and a naturally bright golden crumb. No food colouring needed, the colour comes straight from the tea. It is a soft, comforting everyday cake, lovely with a smear of lemon curd.

It keeps in a sealed tin for a few days, and the turmeric warmth sits nicely against a spoon of Greek yogurt.
