Caribbean Fruit Punch

From the teas.co.uk wiki

A big, fruity, alcohol-free punch for a party, built on a base of strong soursop tea and four fresh juices: apple, pineapple, orange and a good hit of lime. The soursop gives it a soft, creamy-tropical backbone that plain juice would miss, and a little honey rounds it off. Fresh fruit floating on top makes the jug look the part.

Make it ahead and keep it cold, then serve over plenty of ice.
