

## Maple Hazelnut Bread Pudding

From the Teas.co.uk wiki

A classic bread and butter pudding with an autumn twist: a Maple Hazel Latte sachet is whisked into the custard, lending a maple-hazelnut coffee warmth that turns leftover bread into a proper dessert. Stale white bread, buttered and torn, soaks up the spiced mixture with a handful of sultanas, then bakes until golden and set. A good way to use up a loaf.

Lovely warm with pouring custard or a scoop of vanilla ice cream.
