Mint Hot Chocolate with Baileys

From the teas.co.uk wiki

Mint chocolate and Baileys are made for each other, and this is the cosiest way to bring them together. A rich mint hot chocolate, made with milk and a little cream for body, gets a measure of Baileys stirred through at the end for a proper grown-up after-dinner drink. Warming, minty and just boozy enough.

A lovely close to a winter dinner, with a fresh mint leaf floated on top.
