Rosehip and Raspberry Sorbet

From the teas.co.uk wiki

A fruit sorbet does not need an ice cream machine, just a fork and a bit of patience. A strong brew of rosehip and raspberry tea, blended with fresh raspberries, sugar and lemon, freezes into a vivid, fruity sorbet, and stirring it with a fork every twenty minutes keeps the crystals fine and scoopable. Caffeine-free, made with real fruit, and a good deal nicer than anything from a tub.
