Italian Bergamot Earl Grey Cordial

From the teas.co.uk wiki

Make a bottle of this and you have Earl Grey lemonade on tap all week. It is a proper cordial: the tea is brewed hard, then cooked down with sugar and plenty of lemon zest until it turns syrupy and fragrant, ready to be let down with cold or fizzy water whenever you fancy a glass. The bergamot in the Lipton blend does a lot of the work, lifting the lemon with its soft, floral citrus note.

One part cordial to four parts water is the starting point; go stronger or weaker to taste. It keeps about a fortnight in the fridge.
